### MTEA President Comments on Superintendent Selection

Milwaukee – [Milwaukee Teachers' Education Association](#) President [Mike Langyel](#) issued the following statement regarding the selection of a new superintendent for MPS.

“The MTEA looks forward to working with Mr. Thornton when he becomes the next superintendent of MPS.

“As educators, we have been very clear about the reforms we think are necessary to help our students: smaller classes, safe learning environments, strong leadership and support, meaningful professional development, rigorous curriculum, and a well-structured school day and year.”

“We trust that Mr. Thornton shares our perspective on these issues.

“The selection of a new superintendent gives our community the opportunity for a fresh start. We welcome Mr. Thornton to a key leadership role in building a brighter future for our members and the students and families we serve.”
